

On behalf of the European Investment Bank, PNO Consultants is working on the development of a Circular City Funding Guide. The Guide will provide information and support on funding, financing and knowledge for circular developments in the urban context.

As an expert in the field and potential user of the Guide your opinion and thoughts on this subject are of great value to us. Through this survey we would like to ask you questions about how you search for, and find information on circular economy, funding/financing, and/or urban (circular) developments, and what your needs and expectations are.

Filling in this questionnaire will take you about 15 minutes. Your participation is greatly appreciated.

PNO takes your privacy seriously. Your participation in this study is anonymous. Our privacy statement can be found [here](#).
